# Welcome

## to the 2022 DIAA Queensland Dairy Product Awards booklet

In this booklet you will find entries across 12 product classes, showing those products awarded gold and silver medals, as well as products awarded trophies. Product awards by Class begin on **page 20**. Trophies for Best in Category, begin on **page 4**.

This year we have also grouped companies' entries and medals on a single page, so companies can go to their page, and see their product entries and medals – if awarded – across every class. These grouping begin on page 5, with companies listed alphabetically.

Thank you to all who entered the 2022 DIAA Queensland Dairy Product Competition. We know it takes time, but this time is well worth it. We would also like to acknowledge our Judges, whose knowledge and skill are invaluable.

Thank you,  
**DIAA Queensland Committee**
